GRAND SOUTH GROUP

Grand South-Group International CO. was founded in 1991, located in Taipei, Taiwan. We concentrate on developing and manufacturing Auto Accessories, including LED Truck Lights, LED Lights Bar, 3RD Brake Lights, LED Replacement Bulb, etc.

Grand South-Group was approved ISO 9001 certified. The LED Truck Lights meet FMVSS108 for USA and it is the first on behalf of SAE certified in Taiwan. Most of our products have been certified by SAE and E-mark.

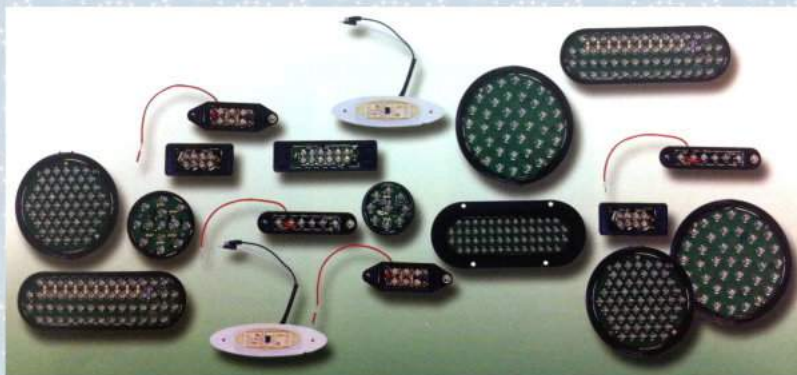

Department of Transportation

Society of Automotive Engineers

Now, Grand South-Group has earned a good reputation in the market. In the future, we have the innovation plans and goals and hope to contribute our mental and physical efforts in the lamps with our commitment.

 We are looking forward to serving you in the near future.
